

## Town Houses in Rabat | Northern #2074

€950,000

RABAT - A double fronted town house with a potential of 1 or 2 car garage. Upon entry one finds himself in the hallway leading directly to the terrace overlooking the garden, with views. A total of four large rooms with high ceiling spread on both sides and a bathroom. A marvelous garden found at the lower level and the rooms are a replica of the ground floor. Apart of the main stairway one can find a traditional stone spiral interconnected through all floors and a washroom at roof level. Additional floors may be developed, located within UCA.
